MSSR. FRANCE!

PLAYER NAME: _____
 LEVEL: _____ BATTLE CR Y: _____

Backstor y: Proud,patrotic Frenchman Jacques-Pierre le Snooty was fed up with his beloved homeland being the butt of jokes about being stuck-up and loving Jerry Lewis movies. He swore to prove to foreigners how non-arrogant the French could be by becoming a better stuperhero than everybody else-and telling them that over and over again. Several expensive bouts of plastic surgery later, so was born Msr. France-the world's most stuck-up, Jerry Lewis-loving stuperhero! (Note: anyone playing Msr. France must speak at all times in horrendously fake, snooty French accent.)
